Moving and Grooving: Early Childhood Physical Activity Conference Featuring Diane H. Craft, Ph.D.

Saturday, September 7, 2024

9 a.m. - 4:30 p.m.

Johnson County Arts and Heritage Center
in Overland Park, KS

\$ 20 (includes box lunch)

Learn to lead physical activities that help young children develop their movement skills in natural settings with Dr. Craft, a renowned national expert in early childhood physical activity. You can learn more about her [HERE](#)

This day of movement will include:

- Benefits of physical activity child development
- Fun, easy-to-lead physical activities
- Everyone will create two make and take activity kits
- Physical activity resources

Professional development clock hours (6) will be awarded in both Kansas and Missouri.

If you have registration questions, please email ecehub@tfckc.org.

Register by scanning the QR code or by clicking [HERE](#).
